## MOVING VAN

Own your own home and you can laugh at the moving vans.

But as long as you rent, every moving van will remind you of the unlucky day when you too will have to move again.

A home of your own is a business asset—it helps to secure credit, is desirable security for a loan, and is a safe investment.

Start a savings account with this definite objective. Add to it every week or every month. The larger the fund gets, the more rapidly the 5 per cent interest increases. By saving systematically you will soon accumulate enough to buy a home of your own.
